Dear Patient

The information requested in this form will help us assess your needs and plan your care for your booked admission to MercyAscot. All information will be treated in strict confidence.

When answering the questions, please do not write 'see my notes' or words to the same affect because we will not have all your clinical notes. Please answer as accurately as possible.

Please answer **all questions** on each page even if you think they are irrelevant to your circumstances.

Please bring any relevant x-rays / CT / MRI scans (CD discs) with you along with any mobility aids, CPAP machines etc to the hospital. If you develop any coughs, colds, infections or wounds before your admission, contact your surgeon prior to your admission.

Please ensure you are aware of when you should stop eating and drinking prior to your admission. Your surgeon should advise you of these times. Please note this includes chewing gum, lollies, sugar etc. If you do not follow these instructions you risk having your surgery cancelled.

We look forward to helping you prepare for your operation.
