

Private Health Insurance

- You are due to undergo surgery funded by your private health insurer.
- We will give you a quote upon leaving which you are to send to your insurance company.
- You must obtain a prior approval number prior to having your surgery.
- You will need to take your prior approval letter along with you and hand it to the team at bookings on the day you admit for your surgery.
- After your surgery you will be sent all relevant invoices.
- Once you have received all invoices, you will then send them into your insurance company who will pay us all directly.
